Parents, Guardians, Take Notice

The County Court having appointed me attendance officer for Taney county, under the compulsory education law, passed by the last legislature, laws of 1919, pages 681 to 686, I desire to call the attention of parents, guardians, and other persons having the control, custody and care of children to the provisions of said law.

Under the provisions of the law every child between the ages of seven and fourteen years, shall attend regularly for the whole term of school, some public or other school; and every child between the ages of fourteen and sixteen years, who is not regularly, lawfully and actually engaged for at least six hours each day in some useful employment, shall attend regularly during the term some public or other school. There are no exemptions.

Any parent, guardian or other person having charge, control or custody of any child, failing to send such child to school, shall be deemed guilty of a misdemeanor, and punished by a fine of not less than Ten Dollars, and not more than Twenty-five Dollars, or by imprisonment for not less than Two Days nor more than Ten Days, or by both such fine and imprisonment.

It is made the duty of the Boards to furnish the Teacher the enumeration lists of all the children in the district. It is the duty of the teacher to report all delinquencies to the County Superintendent who reports to the Attendance Officer. The Attendance Officer must inquire into such delinquencies, have the children placed in school, and if necessary prosecute for all delinquencies. These prosecutions will be against the parents, guardians, or other persons having the care and custody of the child.

I do not desire to prosecute any one, but the law is a good one for the children, and will be enforced. If you have been keeping a child out of school, you better get busy, and send them, and keep them going. This means all who have been keeping their children out of school. Get busy and send the children to school regularly.

R. C. FORD,
Attendance Officer.

A Tribute to Arter Kisse

To the Editor of the Republican:

I was shocked when I read in the Republican of the death of Mr. Arter Kisse. It didn't seem possible that it could be true, as I had met him just the day before in Forsyth on business connected with my office, for which he had been my deputy for three years. I will have to say for him that never did any man do me more faithful service than he did, he never said no to anything I asked him to do; there wasn't anything to hard for him to do. He never made any boast of what he would do or what he had done, but he would prove to you beyond a doubt by his word and by his action that his word and honor were beyond question. If he told me he would do a piece of work I knew it would be done. I have known Mr. Kisse for forty odd years. Though I thought I knew him I found out I didn't until I had business relations with him. His family and relations have my heart-felt sympathy. I feel I have lost a friend that will be hard to replace.

J. W. A. Kithley,
Co. Assessor.
